

# MENATOX CLINICAL ROUNDS

## ANNOUNCING "MENATOX CLINICAL ROUNDS" MONTHLY WEBINAR

The Middle East and North Africa Clinical Toxicology Association (MENATOX) is thrilled to announce the new monthly online activity "MENATOX Clinical Rounds". We will discuss interesting cases in interactive manner presented by colleagues from the region. This event will provide you with the latest evidence-based approach in the field of toxicology.

### Event Highlights:

1. Two case presentations: will include the clinical presentation, and management course of the case.
2. Interactive discussion: engage in lively discussions with the participants, sharing perspectives, and insights, collaborate and exchange ideas to develop a comprehensive understanding of each case.
3. Expert insights: Benefit from the wealth of knowledge and experience brought by our expert panel of toxicologists.
4. Q&A session with experts: Get the opportunity to have your questions answered by our panel of expert toxicologists.

### Who Can Attend:

Toxicologist, physicians, residents, nurses, paramedics, medical students, and health care providers who have interest in toxicology field.

### Registration Information:

To Register for the webinar please scan the barcode below.
